Re: In the Matter of Schools and Libraries Universal Service Support Mechanism,
CC Docket No. 02-6, Estimate of Demand for Funding Year 2015

Dear Ms. Veach:

USAC's estimate of demand for Schools and Libraries Universal Service Support Mechanism discounts for Funding Year (FY) 2015 (July 1, 2015 to June 30, 2016) is \$3.920 billion. This estimate is based on total funds requested in FCC Form 471 applications received on or before April 16, 2015, the close of the FCC Form 471 filing window. A table showing demand by service type and discount band is attached to this letter.

I would be happy to answer any questions you may have regarding this information.

Sincerely,

//s// Mel Blackwell
Vice President
