Re: USAC analysis of E-rate funding year 2014 funding requests, CC Docket No. 02-6 and  
WC Docket No. 13-184

Dear Ms. Dortch:

The Telecommunications Access Policy Division submits the attached spreadsheet containing the Universal Service Administrative Company's analysis of every funding year 2014 E-rate funding request for telecommunications services. USAC determined the function type and product type for each of these funding requests. The spreadsheet will be posted to the E-rate Data web page, available at <https://www.fcc.gov/general/e-rate-modernization-data>.

Respectfully submitted,

/s/
