Re: **Ex Parte Submission**  
***Modernizing the E-rate Program for Schools and Libraries -- WC Docket No. 13-184***  
***Schools and Libraries Universal Service Support Mechanism -- CC Docket No. 02-6***

Dear Ms. Dortch:

On March 6, 2019, representatives of Funds For Learning (FFL) met with members of the FCC's Wireline Competition Bureau and the Office of the Managing Director. As explained in our *Ex Parte* submission<sup>1</sup>, Funds For Learning shared an analysis in which we estimated that as many as 8.5% of E-rate applicants in FY2019 had incorrectly selected "Internet Only – No Transport" as the Category 1 service on their "Description of Services Requested" Form 470. We shared our concern that this mistake would lead to an unnecessary loss of funding during the Form 471 application review, invoice processing, or audit phase of the E-rate funding process.

Now that the E-rate funding year 2019 Form 471 filing window has closed, Funds For Learning would like to supplement the FCC's records with the actual outcomes. We have analyzed the FY2019 Category One Form 471 applications that were submitted, and we have found the following:

- 698 applicants submitted a Category One transport-related FY2019 Form 471 that exclusively references an "Internet Only – No Transport" Form 470.

- All types of applicants are impacted by this problem. Funding requests referencing erroneous Form 470s were submitted by individual schools and libraries, school districts, library systems and consortium.
- The E-rate dollars associated with these applicants totals \$23,752,562.

We believe that the majority, if not all, of these applications are impacted by the same phenomenon described by Wayne Library Authority in its waiver request:

Due to what the Commission has admitted to be confusing categorizations of services on the FCC Form 470 (“Form 470”), the Library selected a function from the pre-defined drop-down menu that was not reflective of its service needs. Specifically, WLA intended to request E-rate discounts for internet access which included transport services. However, it mistakenly selected the “Internet Access: ISP Service Only (No Transport Circuit Included)” option rather than the “Internet Access and Transport Bundled (Non-Fiber)” option<sup>2</sup>.

Included with this letter are two exhibits. Exhibit A is a summary and listing of the Form 471s impacted by the erroneous Form 470 dropdown descriptions. The summary includes a current snapshot of the funding commitment status of the funding requests as of May 6, 2019.

Exhibit B is a sample of a Form 471 (#191029228) and Form 470 (#190026431) that fit the pattern highlighted in this information. This specific example is West Side Montessori (BEN 47001) in Toledo, OH. The applicant submitted two FRNs on their Form 471 application:

- A 400Mbps cable/copper modem-based service (FRN 1999050813)
- A 100Mbps fiber ethernet-based service (FRN 1999050895)

---

<sup>2</sup> <https://ecfsapi.fcc.gov/file/103292761827064/Wayne%20Library%20Authority19-APP-FCC-Waiver.pdf>

Both funding requests were submitted on an application for transport-based services; yet, the referenced Form 470 lists only "Internet Access: ISP Service Only". It seems clear that this is a mistake caused by confusion regarding the Form 470 dropdown description:

1. The applicant submitted only one Form 470 for funding year 2019. They did not mistakenly reference the wrong Form 470 because they have no other Form 470 to reference.
2. The narrative description on the Form 470 indicates that the schools is requesting both a "Fiber line" and a "Cable line". This suggest that West Side Montessori was, in fact, seeking a bundled transport/ISP solution.

As previously stated, Funds For Learning asks that for funding year 2019 and beyond, that the FCC instruct the E-rate administrator to not issue any funding denials where applicants attempted to comply in good faith with the Form 470 posting requirements.

Respectfully submitted,

*/s/ John D. Harrington*

---

I certify that the services the applicant purchases at discounts provided by 47 U.S.C. § 254 will be used primarily for educational purposes, see 47 C.F.R. § 54.500 and will not be sold, resold or transferred in consideration for money or any other thing of value, except as permitted by the Commission's rules at 47 C.F.R. §§ 54.500, 54.513.
