We are persuaded that having Board members with substantive areas of expertise relevant to running a large and complex organization with such skills as accounting, finance, auditing, procurement, data management and information technology will improve the management, administration and oversight of USAC. If members of the relevant industry or non-industry group fail to reach consensus on a candidate to serve on the Board, or fail to submit a nomination for the particular Board member seat, the Chair of the Federal Communications Commission will select an individual from that industry or non-industry group to serve on the Board as outlined in section 54.703(c)(1).⁴

Pursuant to section 54.703(c)(2) of the Commission's rules, each nomination must be captioned: **"In the Matter of: Nomination for Universal Service Administrative Company Board of Directors, CC Docket Nos. 97-21 and 96-45."**⁵ Nominations may be filed using the Commission's Electronic Comment Filing System (ECFS), or by filing paper copies.
