Pursuant to our procedure for resolving requests for review, requests for waiver, and petitions for reconsideration of decisions related to actions taken by the Universal Service Administrative Company (USAC) that are consistent with precedent (collectively, Requests), the Wireline Competition Bureau (Bureau) grants, dismisses, or denies the following Requests.¹ The deadline for filing petitions for reconsideration or applications for review concerning the disposition of any of these Requests is 30 days from the release date of this Public Notice.²

CC Docket No. 02-6

Dismissed as Moot³

Fullerton Elementary School District, CA, Application No. 881837, Request for Review, CC Docket No. 02-6 (filed Sept. 10, 2014)

Saddleback Valley Unified District, CA, Application No. 882552, Request for Review, CC Docket No. 02-6 (filed Sept. 16, 2014)

¹ See *Streamlined Process for Resolving Requests for Review of Decisions by the Universal Service Administrative Company*, CC Docket Nos. 96-45 and 02-6, WC Docket Nos. 02-60, 06-122, 08-71, 10-90, 11-42, and 14-58, Public Notice, 29 FCC Rcd 11094 (WCB 2014). Sections 54.719(b) and 54.1718(a)(1) of the Commission's rules provide that any person aggrieved by an action taken by a division of USAC, after first seeking review at USAC, may seek review from the Commission. Sections 54.719(c) and 54.1718(a)(3) of the Commission's rules provide that parties seeking waivers of the Commission's rules shall seek review directly from the Commission. In this Public Notice, we have reclassified as Requests for Waiver any appeals seeking review of a USAC decision that appropriately should have requested a waiver of the Commission's rules. Similarly, we have reclassified as Requests for Review any appeals seeking a waiver of the Commission's rules but that are, in fact, seeking review of a USAC decision.

² See 47 CFR §§ 1.106(f), 1.115(d); see also 47 CFR § 1.4(b)(2) (setting forth the method for computing the amount of time within which persons or entities must act in response to deadlines established by the Commission).

Parties seeking review of USAC decisions must first file an appeal with USAC. See 47 CFR § 54.719(a). Because the petitioner filed its appeal with the Commission first, we now provide the school district 60 days from the release date of this Public Notice to refile its appeal at USAC. The appeal should be filed in the E-Rate Productivity Center (EPC) portal, found here: <https://forms.universal-service.org/portal>. ⁹ We remand these applications to USAC and direct USAC to complete its review of the applications and issue a funding decision based on a complete review and analysis, no later than 90 calendar days from the release date of this Public Notice. In remanding these applications to USAC, we make no finding as to the ultimate eligibility of the equipment/services or the petitioners' applications. We also waive sections 54.507(d) and 54.514(a) of the Commission's rules and direct USAC to waive any procedural deadline that might be necessary to effectuate our ruling. See 47 CFR § 54.507(d) (requiring non-recurring services to be implemented by September 30 following the close of the funding year); 47 CFR § 54.514(a) (codifying the invoice filing deadline rule).

Consistent with the Commission's decision to adopt the similar appeal and waiver rules that govern all of the Universal Service Fund programs, including the E-Rate program, and to leverage existing E-Rate processes and forms in the Emergency Connectivity Fund program, we rely on E-Rate program precedent to resolve these petitions for waiver of the Emergency Connectivity Fund program rules. See *Establishing Emergency Connectivity Fund to Close the Homework Gap*, WC Docket No. 21-93, 36 FCC Rcd 8696, 8740, 8746, paras. 90, 107 (2021) (*Emergency Connectivity Fund Report and Order*).

Twin Bridges Medical Center and ENA Healthcare Services, LLC, MT, Request for Waiver and Review, WC Docket No. 02-60, Funding Request No. 1965954 (filed Apr. 21, 2021)

10656, para. 5 (WCB 2010) (denying request for review for applicants seeking to revise their FCC Form 471 applications to include additional services).

³⁴ See, e.g., *Agra Public Schools Order*, 25 FCC Rcd at 5688, para. 6 *Bound Brook School District Order*, 29 FCC Rcd at 5823, para. 1) (denying requests for review and/or waiver on the grounds that the petitioners failed to: (1) submit their appeals either to the Commission or to USAC within 60 days or failed to submit their waiver requests to the Commission within 60 days as required by the Commission's rules; and (2) did not demonstrate special circumstances required for the Commission to waive the rule). We note that the Commission adopted a shortened waiver and appeal timeframe of 30 days in the Emergency Connectivity Fund Program due to the short-term, emergent nature of the program. See 47 CFR § 54.1718; *Emergency Connectivity Fund Report and Order*, 36 FCC Rcd at 8746, para. 107. As such, requests for waiver of ECF Program rules that are filed more than 30 days after a deadline or decision will be denied.

³⁵ See *Rural Health Care Support Mechanism; Promoting Telehealth in Rural America*, WC Docket No. 02-60, Order, 35 FCC Rcd 2922, 2925-26, para. 9 (WCB 2020) (waiving the 14-day deadline for applicants to respond to information requests from USAC and automatically extending that deadline an additional 28 days and directing USAC to consider information that an applicant provides even after the deadline to respond to an information request if the applicant can reasonably attribute such delay to its efforts to combat COVID-19). In this case, the health care provider's funding was denied by USAC due to failure to timely respond to an information request during the first year of the COVID-19 pandemic, and the entity referenced the difficulties created by the pandemic. We grant the request for waiver of the information request deadline and allow Twin Bridges 28-days from the release of this Public Notice to respond to the information request. Additionally, we remand the application to USAC to address any issues with the urban rate that was provided on the FCC Form 466.

³⁶ See 47 U.S.C. § 254(h)(7)(B) (establishing the categories of health care providers eligible for support in the Rural Healthcare Program); 47 CFR § 600(b) (listing same); *Rural Health Care Support Mechanism*, WC Docket No. 02-60, Report and Order, 27 FCC Rcd 16678, 16683, para. 11 (2012) (listing same). Rural Health Care, Inc., and ENA Healthcare Services seek clarification of whether administrative offices and data centers can be included when calculating the rurality percentage of a consortium under section 54.607(b) of the Commission's rules. In the 2012 Healthcare Connect Fund (HCF) Order, the Commission expressly rejected a proposal to expand HCP eligibility to include administrative offices. *Rural Health Care Support Mechanism*, WC Docket No. 02-60, Report and Order, 27 FCC Rcd 16678, 16742, n.373 (2012) (HCF Order). Under section 54.615, offsite data and administrative offices that connect to eligible HCPs are only eligible for funding that covers connections and network equipment associated with off-site data centers and administrative offices. The eligibility of administrative offices and offsite data centers for program support under section 54.615 does not grant them status as health care provider sites. HCF Program consortia must be comprised of more than 50% eligible rural health care providers. *Promoting Telehealth in Rural America*, WC Docket No. 17-310, Report and Order, 34 FCC Rcd 7335, 7403-05, para. 144 (2019). Because administrative sites and data centers are not considered HCPs under Program statute and rules, these entities do not count toward the majority rural threshold in a consortium.

³⁷ *Rural Health Care Support Mechanism*, WC Docket No. 02-60, Order, 30 FCC Rcd 230, 231-32, para. 3 (WCB 2015) (directing USAC to deny the associated funding requests "if applicants do not provide timely responses to USAC requests for omitted or adequate supporting documentation"). Bethel Family Clinic states that it did not timely respond to the information request deadline due to the "potential for confusion" resulting from the possible lack of a reminder message from USAC. Lewis Community Health Services states that it missed its information request deadline due to changes in management and email addresses. These facts do not satisfy the requirement that a waiver request include special circumstances warranting a deviation from the general rule. See *Northeast Cellular Telephone Co. v. FCC*, 897 F.2d 1164, 1166 (D.C. Cir. 1990).
